Crazy about Chinese food and White Castle hamburgers, Janet enjoys cooking, sewing, dancing, and playing jazz records. She holds membership in Service Club, Mixed Chorus, Canteen, and Church Club. Typing's the favorite subject; business school is the goal after graduation.

LOLA WELCH

Dancing and singing are the favorite hobbies of this happy miss. A member of Music Club and the Library Staff, she has made many friends at South Side. Sports she enjoys are basketball and wrestling. Eartha Kitt and Sammy Davis, Jr., are her show-business choices.

MAYE EVELYN WHITE

Maye plans to become a social worker. She loves down-to-earth people. You can usually find her singing, dancing, or listening to records. An avid reader, she loves English, Typing and Stenography. Her club is the "Esclaves Unto Thee" Sorority. She's one of "the big three."

JOYCE WILLIAMS

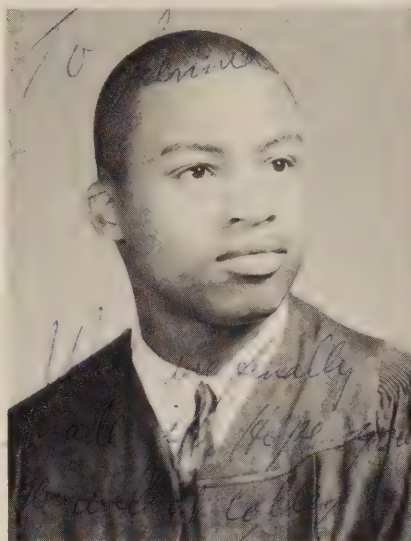

A future beautician, Joyce enjoys playing piano and dancing. She sings in Senior Girls' Glee Club and Glee Club, and is a member of Library Staff. In the community she belongs to Youth Canteen and a sewing club. Cooking, skating, and kickball are her recreations.

ORETHIA WILLIAMS

Babe's plan is to become a registered nurse. She is a member of the Marching Band, Dance Band, and Orchestra. In her spare time she enjoys sewing, records. Her favorite music is classical, jazz, and rock 'n' roll. Orethia's favorite star is Bette Davis; favorite musician is Louis Armstrong.

STEVEN WILLIAMS

Steve expects to make a stir in the post-graduate world as an energetic businessman. For years he has stirred about a good deal in his favorite subject. Cooking. The sport of his choice is basketball. "Mike Hammer" and "Bat Masterson" are TV choices.

BEATRICE WILLIAMSON

A member of Youth Council, Morton Street Community Center, Beatrice is adept at interpretative dancing, loves to study French. Her favorite sport is skating. Her favorite performers are men: Peter Gunn and Mike Hammer on TV, Paul Newman and Marlon Brando in movies.

ANN WIMBERLY

Ann hopes to become a dietitian, influenced by her Foods course. Another subject she likes is English. Dancing and stamp collecting are hobbies that never bore her. TV viewing means Allan Freed's show. But the best lure of all is a dish of shrimp and rice.

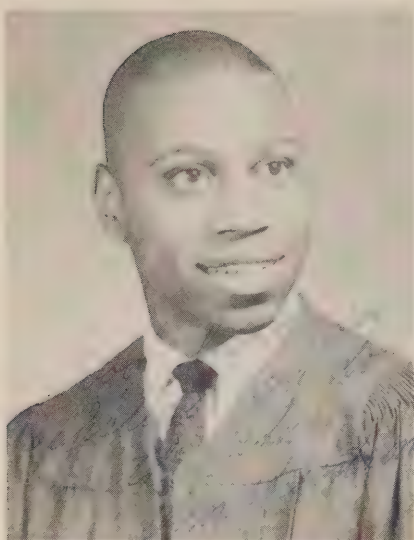

GLORIA JEAN WINSTEAD

A member of Bergen Street Canteen, Gloria is smiling, confident, and popular. Following her post-high-school studies in a business school, she'll make a competent addition to any office. Bowling is her sports enthusiasm. "Peter Gunn" and "77 Sunset Strip" the TV favorites.

GLORIA THERESA WOOD

Undecided about the future, "Gigi" spends her spare time dancing, listening to Candido. She loves to play the bongos. One of Dr. Profeta's Bankers, she belongs to Junior Red Cross, Senior Red Circle, and Young People's Choir. Had a ball in Consumer Problems.

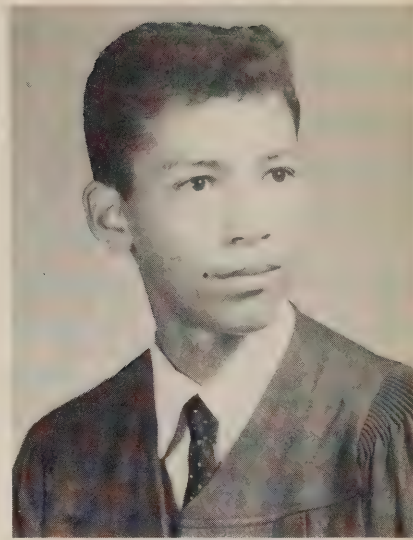

WILLIAM WOODSON

William is a musician who is greatly interested in photography. He plays in the Dance Band and Senior Band; has enjoyed Music Theory best of all school courses. Baseball and running are favorite sports. Draftsmanship is his chosen profession. Perhaps military service will come first.

GERALDINE WRIGHT

For "Deanie" there's lots of work ahead until she achieves her nursing degree. Active in Red Cross and Dramatics Club, she is also active on the dance floor. Health Class has helped shape her ambition. Geraldine plays no favorites among sports—she enjoys them all.

ROBERT YEE

Robert, of the fleet feet and ready smile, is captain of the indoor and outdoor track squads, and Newark's best cross-country runner. Hamburgers smothered in onions supplied the energy. Able and conscientious as a student, he'll make a splendid Marine.
